STAT MEMORANDUM FOR: [REDACTED]

SUBJECT : Edda Mussolini Ciano

1. In accordance with our telephone conversation this morning, the pertinent portions of the letter to Mr. Dulles from Assistant Attorney General Dallas S. Townsend concerning Edda Mussolini Ciano and her three children are set forth as follows:

25X1 "It appears from further information contained
25X1 in our files that prior to entering into the contract
25X1 with Edda Mussolini Ciano, a representative of the
Chicago Daily News consulted [REDACTED]
[REDACTED] and obtained approval of the contract as well as of the publication of the diaries. It also appears that on January 13, 1945 you acknowledged in writing [REDACTED] that Edda Mussolini Ciano had arranged for you to take photographic copies of the diaries; that she had expressed a desire to make the information available in the hope that it would be useful to the Allied cause in the prosecution of the war and shed a new light on past history; that copies of the diaries would be forwarded to Washington for the information of the Government, together with a copy of a letter from Edda Mussolini Ciano dated January 8, 1945, stating that the material was to be used for official purposes only and that the turning over of the copies was not to affect any rights which she may have had with regard to the eventual commercial publication of the diaries.

"As you know, Section 32(a)(2)(C) of the Trading with the Enemy Act, as amended (50 U.S.C. App. § 32), prohibits, with certain exceptions not material here, the return of vested property to individuals who were voluntarily resident within Germany at any time since December 7, 1941. It would be appreciated, therefore, if you would advise this Office of any information which you may have from your own personal knowledge or from the files of your Agency with respect to the circumstances surrounding the Ciano family's stay in Germany from August 27, 1943 until November 4, 1943, and the reasons therefor."
